

The Patch Brand – Energy Patch

BENEFITS

Nearly 100% absorption rate

Same bioavailability as a regular vitamin

Works for all skin types

Our patches are clean and effective, with no junk and no fillers. Energy Patch contains a unique combination of ingredients that is released slowly throughout the day to help temporarily help reduce tiredness and fatigue.

Ons plakkers is skoon en effektief, met geen gemors en geen vullers. Energy Patch bevat 'n unieke kombinasie van bestanddele wat stadig vrygestel word regdeur die dag om jou tydelik te help om moegheid en tamheid te verminder.

HOW TO PATCH | HOE OM TE PLAK

Peel | Trek

Carefully remove one patch from the sheet.

Verwyder versigtig een plakker van die papier.

Stick | Plak

Place on a relatively hair-free part of the body, such as the wrist.

Plaas die plakker op 'n relatief haarvrye gedeelte van die liggaam, soos byvoorbeeld die gewrig.

Enjoy | Geniet

Soak in the benefits, then replace with a new patch.

Geniet die voordele en vervang met 'n nuwe plakker soos benodig.

Mix and match patches to blend their effects.

Kombineer verskillende plakkers om die regte effek te verkry.

Avoid combining patches with opposite effects, for example Sleep and Energy.

Moenie plakkers met teenoorgestelde effekte kombineer nie, byvoorbeeld Sleep en Energy.

New patch should be placed in a slightly different position, allowing the skin to breathe.

Use warm, soapy water to wash off any residue left on the skin.

Wissel die posisie van die plakkers af, om sodoende toe te laat dat die vel kans kry om asem te haal. Gebruik warm water en seep om enige oorblyfsels van die plakker af te was.
