PRICE LIST

SUPERIOR SKIN SOLUTIONS

So much more than a sensorial refuge for the tired and weary, SKINSTRATEGY Salons are solution and results-driven. While our clients unwind in total privacy, caring hands apply their professional training and personalised attention to the specific skincare concerns of each client. Skilled in identifying key issues, our expert therapists will tailor a strategy to help achieve each client's skincare goals.

Our SKINSTRATEGY Salons use 'cold' Low Level Laser Therapy to enhance the effectiveness of facial treatments. Low Level Laser Therapy is safe to use and has adjustable settings to suit individual conditions.

BIONIKE COSMECEUTICAL FACIAL TREATMENTS WITH SOFT LASER**

20% Glyco peel facial treatments with soft laser designed to achieve optimal skin health and deliver radiant, beautiful skin.

A specialised post-treatment plan can be suggested by the beauty therapist after your treatment. Allowing you to maintain a healthy and radiant skin at home.

Anti-aging	R625
Hydration	R625
Pigmentation	R625

DAILY HOME STRATEGY: BioNike Cosmeceutical Range

BIONIKE SOFT LASER FACIALS

1. ANTI-AGEING*

The intensive anti-ageing facials are designed to firm skin by stimulating the production of collagen and elastin. The Magnetic cream application deep cleanses the skin. Skin is invigorated and rejuvenated, the appearance of fine lines and wrinkles is diminished and luminosity is restored.

Luxury Laser	60 min	R445
Laser & Magnetic Facial	60 min	R510

DAILY HOME STRATEGY: BioNike Defence My Age or My Age Gold

2. HYDRATION*

The hydrating facials moisturise dehydrated skin to replenish and restore moisture balance. The Laser combined with the Magnet stimulates blood circulation to draw essential nutrients to the surface – this improves natural radiance and achieves a glowing, healthy-looking complexion.

Skin-Comforting Laser Facial	60 min	R410
Rehydrating Laser and Magnetic Facial	60 min	R485

DAILY HOME STRATEGY: BioNike Defence Hydra

3. PIGMENTATION*

The pigmentation facials are geared to help correct pigmentation blemishes. They include light peeling to reduce uneven skin tone and scarring by dispersing the clumping of pigment in the melanin-bearing cells.

Blemish-Control Laser Facial	60 min	R425
Blemish-Control Laser & Magnetic Facial	60 min	R455

DAILY HOME STRATEGY: BioNike Defence B-Lucent

4. DEEP CLEANSING AND ANTI-ACNE*

The deep cleansing anti-acne facial aims to reduce inflammation and promote healing through the use of specialised products and increased blood circulation.

The process also helps manage the consequences of excessive oil production by dissolving the build-up of fatty skin debris to unplug blackheads. The skin is soothed and the complexion becomes clearer.

Intense Deep Cleansing Laser & Magnetic Facial	60 min	R495
Deep Cleansing Laser Facial	60 min	R425
Teenage Skin-Purifying Laser Treatment	60 min	R315
Basic Teenage Facial	30 min	R225

DAILY HOME STRATEGY: BioNike Defence Aknet and Acteen
